Dear Friends,

It is our pleasure to share our 2021 Annual Report with all of you.

Continuing the work of last year's long-term planning, we identified, interviewed, and welcomed new Board Members. We appreciate the past work and commitment of our Honorary Board Members, especially our founding Board Members, who moved on this past year.

We successfully and safely held our first in-person event, a Halloween party co-sponsored with Friends of Linwood Park. (photo below)

We also planned two virtual game nights.

We continued to strengthen our collaborations with other organizations including:

- Best Buddies
- Bright Invention
- Common Space
- Friends of Linwood Park
- PA Education for All Coalition (PEAC)
