## Dear Friends & Families,

We are grateful to our community of donors, volunteers, and friends for another year of achievement and growth. We are so appreciative of the diverse range of families, children, and teens who participate in our inclusive activities. They create a fun atmosphere where it is apparent that we are all more alike than different, everyone feels welcome, and each individual has a sense of belonging.

### Five Year Plan - 2024-2029

#### Year 1 Accomplishments:

- Increased funding base
- Sustained ongoing annual activities with consistent participation
- Expanded volunteers and pro bono contributors
- Brought in new families
- Continued board development
- Recruited new board members
- Outlined clear board roles and responsibilities
- Developed shared board leadership

#### Goals through 2029

- Expand and solidify community partnerships
- Create a data collection plan to analyze and increase participation
- Develop materials to explain the why and how of inclusion
- Increase connections with local schools
